“ I am sorry to learn of Doyle's passing. I knew Doyle's family many years ago. I remember him being very funny, positive and welcoming to me and anyone he encountered. By chance, we met again many years later at a Parade of Homes event in Stillwater, MN. Again, I was struck (but not surprised) by his friendliness and kindness in greeting me after such a long time. He always looked to make others feel connected and comfortable. Experiences shared live on, even beyond memories. I wish you comfort in both. I hope that when you think of Doyle, and anytime that you feel grace and love, you know that he is with you.

“ From Keith Nelson, I will always remember his consoling words at my mom Claudette and sister Jill's memorial at Lyngblomsten chapel. A truly gentle giant and a great guy. I was the baby so really don't know any of you well, just names - have to ask Scott or Neil "who's that who greeted me?" I'm proud of being half a ;Bel lil' as Doyle still says it. Classic. I'm heading to Somerset on this lovely Fall day to St. Anne's to grandma and grandpa's resting place along with multiple relatives. If I end up at a restaurant I'll pass the word about Doyle Jr. In the past I've been treated like royalty around town - "Claudie's son" Please contact me 612-236-4045. I would love to go to Eau Claire,, maybe with Yvette, to see my uncle and the family photographs. May you have peace in your hearts which is what he would have wanted. Love, Keith

“ *I always enjoyed the Many messages Doyle would send. He was always sending jokes and funny memes. There were days we would go back and forth. He truly saw the comedy and ironic truth of people and life.*
