“ *Dr Hedenstrom delivered my older sister in 1960 and me in 1968. The interesting part is my mother delivered both of us under hypnosis, with no pain. Today I started searching for more information and saw his name on my birth certificate.*

*I'm sorry to hear about his passing and wish sincere condolences to his family.*

“ *Dr. Charles Hedenstrom was my first cousin on my father's side, and we first met in 1985, 30 years after my father died. Charles was a wonderful man who did everything possible to strengthen family ties, and is much loved and appreciated. Just wanted to send my deepest condolences to his dear family, and would love to keep in touch. ( Christine Keller, NC tel. 984 232 3511 )*

“ So sorry for the loss of Dr Charles. I worked with him at Midway Hospital from 1968. He was a very serious guy, but always caring toward his patients and our staff. Amazing to live 90 years! Rest In Peace now.
