JP

“ *Dr. Hansler was a devoted lover of music & people. He always wanted us to sing our best & each time we had a concert, wow did it ever come together & give us chills as we sang together with the rest of the choir. George is now heading up a choir of the highest calling in a place befitting of his dedication. We will miss you Dr. Hansler, but hopefully we shall meet again in God's Peace in Heaven.*

MM

“ Dr Hansler was so dear to both myself and husband Michael. We were both his students from the class of '75. I will always remember the wonderful parties every Christmas and the lovely day at the shore every year. He treated us like his children and was genuinely interested in our lives. Every year after sending our holiday picture card I knew I could count on a follow up message from him about what I had said in the card. He came with Greg to see my son David, sing the lead in his high school Musical and also his senior recital in college. He was like family. He taught all of us so much about music, teaching and life, but most of all he showed us what it is to be a good, kind, and caring person. We will miss him terribly. Rest in peace Doc. You are loved by so many. With love, Marguerite and Michael Modero
