“ Karel, my husband Don, worked with Marty as radiologist at Ft. Campbell, Ky. I am so sad to read of your loss. I know how you feel. Don died 3 months before Marty did, June 17, 2015. Don retired just 3 short years before, short retirement. I moved to San Antonio in 2017, close to our son and his family. I pray our Loving Lord wraps each of you in His Long Caring arms, walking with each in this new chapter in life. Carol Allen

“ Dear Karel and Family, I am very sorry to hear about Marty's passing. He and I were class mates and friends in med school as you may recall. The memories of those days quickly returned to my mind; I pray that our risen Lord and Savior, Jesus Christ, will grant you and your loved ones peace , comfort, and understanding during these difficult days.
