“ *Duane will be fondly remembered as a good neighbor and friend. He always had interesting stories and good advice to share. Doug has always remembered Duane's visits and concern as he recovered from vehicle accident in 2006. It meant a lot to Doug for Duane to invite him on a few rides later when he was able to get out again. Doug will cherish those riding memories with Duane the most. We will miss Duane. Our neighborhood definitely feels different without him.*
