“ I was with Duane on Monday at Toastmasters. He participated in the meeting as he always did, with humor and being an example to the rest of us as to what one can do. My thoughts and prayers are with the Family as they grieve the loss of their beloved father/grandfather. May you have Peace as you celebrate the life that he lived.

“ I have known Duane for many years in Toastmasters. He was such a wonderful mentor and an example to all of the members in the various clubs to which he belonged. Many times several of us would get "a bite to eat" just to be able to spend a little more time learning from him. My condolences to the family. I will miss his presence but what he taught me will be with me until we meet again. Ginny

“ *Duane has been our neighbor for many years. We will miss our weekly Saturday night dinners with him at the House of Wong and Pippins. He was an extremely interesting man with a subtle sense of humor and so many wonderful stories - most often including stories about his beloved wife Evelyn. We always felt like she was still with us during our visits. Rest in peace Duane. Saturday nights will not be the same without your company.*
