“ I met Duane in 1974/75 when I was looking for an insurance agent. I was very young and didn't know much, but he treated me with respect and kindness. Because of this, I gave him all of my business. Although I've moved several times, that office still has my business because of him. I have missed Duane's calls these past years. He was so kind!! I hope, in time, you can find comfort in your memories of him. Dianna Fuller
