“ Oh my God. What can I say about a guy who brought such joy to my life? I'm so proud to claim him as my friend. From the early 70's as my neighbor to today has Duane ever done anything wrong? From neighborhood parties, projects and just daily events, Duane was a leader. The times we had on his house addition, his brick planter, the roofing project, and his sidewalk with feet of elevator cable in it to enforce the concrete, the fishing trips to Canada, the air trip to Ohio to see our good friend Ken Spinelli, our Halloween parties, and his feeding pheasants and then killing them. So many great memories.
He was just God's gift to the world!
