“ R.I.P Brother, Forever in my thoughts. 2008-12-23 Words can not explain how sorry I am for the loss of Dustin. Dustin was my best friend and hunting buddy and will always remain to be. I know Dustin is in heaven now looking down on everyone and helping with this very difficult time. I will always remember the times Dustin and I would go out hunting and it wouldn't matter if we didn't see anything, I could tell in his face that he was content just relaxing in the duck boat and just being in the outdoors, those are my fondest memories of Dustin and those are the things that put a smile on my face and keep me going through my day. Dustin was a great person and he had touched the hearts of many people and will be missed every day. Dustin was the first person I called when my mother passed away and he was working when I called him he stopped everything he was doing and he drove up to Elk River and picked me up and we just drove around for hours and talked trying to cheer me up that just shows the kind and loving person Dustin really was. I'm sorry I could not attend the funeral God know I would if I could of. I am so sorry you all will be in my prayers.

“ I am so sorry for your loss. I went to middle school and high school with dustin. He was an awesome person and he always knew how to put a smile on peoples faces. This might be silly, but i had the biggest crush on him for the longest time. I could go on and on about all the memories i had with dusty but i want to keep this short. Agian, i am soo sorry and if there is anything i can do, just let me know. I also work with briana, and i just have to say that her and dustin were lucky to have each other. Their both amazing

“ Donnie, Robin and Brianna, We are so sorry for your loss. We can't begin to imagine the pain and anguish you must be feeling right now. It saddens us to know the emptiness you have in your lives now. We are praying for all of you. Praying that God may comfort you during this difficult time and to give you the strength to go on life's journey without Dustin. Dustin's time here on earth was surely cut short, but God has a plan for all of us and Dustin was needed in heaven. He is probably sitting there with Aunt Sissy playing games. We will call and we will come to visit and we are here for you. We just wanted you to know that you mean the world to us and we love you very much. The few times that I was blessed to be able to spend some time talking to Dustin I will forever remember, what a great kid. Funny and Friendly just like his Mom and Dad. Dustin will be greatly missed, but never forgotten. With lots of Love, Mike

“ Sheehy Family, I am so sorry about the loss of Dustin. I won't say that I know how you feel, because everyone deals with the loss of a loved one in different ways. What I do know is that Dustin has a piece of each of your hearts with him in Heaven, and that he would want you to fill those spaces with love and happy memories of him. Each day there will be one less tear, one more laugh, and more peace in those empty spaces in your hearts. When my father passed away, someone gave me a poem that made me feel so good. It is called, "Christmas is Heaven". It was written by Wanda Bencke. How wonderful it must be for him to be spending his first Christmas with Jesus Christ this year! When you are ready, this poem would be a great one to give you comfort over the holiday season. Robin, please know that I am here for you always. My heart is breaking for you and your family.
