“ *My Uncle Dick was one of a kind and I will miss him so much!! One of my favorite memories I have is when I had one of my surgeries and I was at my sister-Diane's house recovering right here in the cites. I had a brace/cast on my ankle and was walking around with a walker; the movie Grease had just come out and Uncle Dick knew I loved Olivia Newton John. Anyway, he shows up at my door and says we're going to the movies! I told him it would be too hard to maneuver getting there as I couldn't put any weight on my ankle-his response was-"we're going/we'll be fine! So there we were-me with my arm around his neck hobbling down the theater isle! Before the movie started Uncle Dick told me stories of when he and Aunt Lois were first married-about the time they went to the movies to see "Psycho" and how Aunt Lois was afraid to take a shower as result of that movie!! He had me laughing and we had the best time! oh and by the way-The movie Grease was so good especially on that big screen! I love you Uncle Dick~ Until we meet again~ Danelle*
