“ *Albrecht Family,*

i am very saddened to learn of the loss of Mr. Albrecht. I only had the pleasure of meeting him twice, but had heard countless stories off him from Ray during college.

I had been trying to find Ray for some time now and came across the obituary. It was not the way I wanted to find him. I know it has been months, but I am sure Mr. albrecht's absence is still a void which cannot be filled.

i will pray for your family. I am sure arm. albrecht is praying for all of you as he is now in a better place than we could ever imagine.

Ray, I don't know what to say, but I am very sorry for your loss. I always remember those times...

Respectfully,
