“ I worked at Family Video in New Brighton and Dwayne was ALWAYS my favorite customer! He was always so happy to come in and talk to me on his once-a-week movie run. My heart is heavy to come across the site and hear of his passing, but I am happy he is able to be with his wife again.
My deepest condolences to all family and friends. I may not have known Dwayne very well, but he always made my days better with his cheerful smiles and conversation.

“ Dwayne and Bonnie were both wonderful. We always enjoyed them when we came to visit our children and grandchildren. They were great to all of us and always had those special treats. We always enjoyed the birds and the beautiful flowers. They kept a watchful eye out for all of us. They were wonderful to visit with. We are happy they are together once again.
