“ I first met Dwight when we both worked for Control Data. I learned there that he was an avid golfer. After we both had retired, we played together in the Pheasant Acres golf league as well as numerous other courses in the Twin Cities. I was saddened to learn this spring that he was ill and couldn't play anymore. I was visiting my son in Utah when I was notified by a friend of ours that he had passed. I was not here to attend his funeral but I send my deepest sympathies to his family, some of whom I have met.

“ I knew Dwight from Pheasant Acres Golf league. I played with him on Wednesdays for quite a few years. This year he wasn't able to play most of the season. Enjoyed playing with Dwight and Don Mueller. Sorry he's no longer with us, but judging from his background, he knew he would be in heaven.
