“ *Kathy and Family,  
My thoughts and prayers are with you all at this time of loss. My heart is heavy with saying a final goodbye to a faithful servant who touched my life and the lives of many others too.  
I will remember his greeting me every Sunday morning with "How and where have you been?" He made me laugh and smile when I felt burdened by life, and always had an entertaining story to tell.  
We have lost a dear friend and servant but heaven has gained an extraordinary angel. We will miss you Dwayne and do our best to care for your loved ones left behind....prayers of comfort at this time of grief.*

“ *Dear Kathy & family,  
My heart is heavy for your loss though we all know we can celebrate Dwayne's gain. What a great friend he has been to all. That soft voice & twinkling eyes, great humor, fantastic organizer, dependable worker, one who could be counted on as he faithfully served the body of Christ at Salem/GracePoint. That's some of the ways I'll remember him. And he served through the last possible minute he could. My love & prayers are with you. Bev*

“ *Mr. Petersen was the best science teacher we ever had at Sleepy Eye High School. He is part of the reason I became a science teacher early in my career. We wish we could have thanked Mr. Petersen for his educational leadership and encouragement. He moved; we moved; and our paths never crossed again. May the Lord comfort you, and perhaps one day we will meet in heaven. God be with you.*
