“ *Just received the sad news about Palmers death.As an exchange student from Germany by the AFS in 1966-67 I was very lucky to have Palmer as a " host Father" and got to know his beautiful Family.This year had very much and great influence of my life.He was such an intelligent and warm person.He and Betty visited us in Germany and we came over to Minneapolis as well.We send our condolence to his sons and Families.Greetings from Dr.Michael and Anne Thielke (e-mail: doc.m.thielke@t-online.de).*
