“*Earl was and always will be my Great Uncle, and an even Greater Man.
Both he and Irene are truly Great role models of the way human beings should treat each other.
They have helped countless people, many who never even met them before, and I'm sure many that still wonder where their good (Great!) "luck" came from just when they needed it the most.
He smiled freely, and made many more smiles happen.
He always had an encouraging word, and just the perfect story to go along with it.
Our loss is Heaven's gain, and I know the transition was seamless.
With Love and Respect,
Ray*

“*I will truly miss Uncle Earl, especially his smile and sense of humor.
No matter how I was feeling he always knew how to make me smile.
I will always be your little Harley girl.
Love and miss you Connie*
