“ Marcie & Family, Our sympathy to you. We will miss seeing Earl walk by our place to go shuffling and his return when every once in a while he would stop for coffee. We will miss his laugh and good humor, friendship which will always remain with both of us. Our prayers are for you and your family.

“ Marcie and family,
I am so saddened by Earl's passing. I am so sorry I only knew him for such a short time, as he touched my life very profoundly. He was such a kind and gentle man. He will always be my shuffleboard buddy. I will miss him very much.

“ *Marcie and family: Please accept my sincere condolences for your loss of Earl. I have been away from Applewood Pointe for several weeks and learned of Earl's passing through email. Earl was a kind person who obviously loved life. He will be sorely missed at Applewood Point. Unfortunately, I will be unable to attend his service, but I wish to again extend my deepest sympathy to you and your family.*
