“ I will miss my wonderful friend Earl at cribbage. He brought a reliable smile and was a true gentleman and gracious competitor. Praying for peace for his family and know that he was loved and respected in the cribbage family.

“ Bud, I remember the day you were brought home from the hospital, the sun was shining. I wish I could remember more but at 5 years old I guess having a new baby brother was the high point. But I have more memories, like your wedding to Mary, Duane's birth, sitting up playing cards long into the night while you and Dale waited to be called to work on the Extra Board. The years passed, our families grew up, we lost loved ones, my son David and Your Mary, and our brother. Now we have lost you. But I can close my eyes and see Jesus' hand reaching out for you to take you home to be with Mary, for this I am thankful. Rest in peace baby brother. I love you. Tootie
