“ *I am so sorry to hear of Earls death. The last time I seen him , it was in the fall of 2012. I thought he was doing pretty good. He was a total gentleman who showed respect to any one that I have known, including me. He was a fantastic Tuba player whom so many people wanted him in the bands. He will be so totally missed in all areas of our lives to so many people who was fortunate enough to have known him. God Bless you Earl and to his entire family. Thank you for sharing him with us.*
