

## Early F. Pauly

November 12, 2015

Pauly, Earl F. age 62, of Mpls, died Nov. 12, 2015. Preceded in death by parents, Donald & Gloria and brother, Gary. Survived by sisters, Linda (Ben) Reuben and Noel Pauly (John Arhelger) and many other extended family members. Appreciated by his family for his free spirit and willingness to share in family gatherings. Earl suffered the early loss of his parents, but proved himself to be a rugged survivor in life. He was a gregarious and imaginative story teller and keeper of the family history, however inaccurate. He will be missed by all those who knew and loved him, he always kept us laughing. A private family memorial will be scheduled in the Spring of 2016.
