### My Husband

I lost my loving husband, my partner in my life. He was one of a kind. I was proud to be his wife, but I have the memories of the times we shared together. That will live inside my heart from this day and forever for he was one of a kind; a husband like no other. He was my best friend, my soulmate, and my lover. Rest in Peace my angel. I just want you to know I miss you more each passing day and how much I love you. So when I get to Heaven, I know what I will do; you will be there with open arms and I will run to you my precious Husband.
