“ Just a delightful women. So cute when she would call me by the wrong name. 🤔🤔 We swam together at the YMCA. She always swam the laps before our water class. Loved that women. Now she's with her Hubby.

“ *The family of Edith:
I knew Edith from the YMCA and later discovered we both work/worked at Deluxe. I admired her dedication to swimming and remember her saying she had a goal to be swimming when she was 90 - well she met that and surpassed it! She inspired me with her strength, funny stories, and beautiful smile. She will be missed!*

“ *Dear Becky, MaryJo, and the whole family of Edith-
My thoughts and prayers are with all of you at this difficult time. I was blessed to have known her as a long time dental patient. Both Edith and Ralph loved people and their smiles brightened everyone's day!
Your faith will keep you strong!
