Marjorie Moreen and Family

I have known Edie since we were 12 yrs old because we belonged to the same church, Calvary Lutheran. Later we were part of a girls club called, The Mamselles, which continued well into our adult lives. We shared the celebrations of many marriages including Edie's marriage to Earl and the birth of our many children. I have many cherished memories and I can see her smile and hear her laugh, even as I write this. My thoughts and prayers are with your family and I know she has found peace with The Lord.
