

Edith Shearer

June 17, 2012

Shearer, Edith "Miff" age 88, of Mpls. Edith died on June 12 after battling Lewy Body Dementia and Parkinson's disease. Born in Gaylord and raised in Gibbon, she moved to Mpls in 1941 and attended the Mpls School of Business. She worked at Employers Mutual for seven years before raising a family and resumed working outside the home when her youngest daughter entered junior high school. Edith worked for a group of surgeons in downtown Mpls for 30 years, and finally retired at the age of 78. She was proud of her business acumen and she loved living in Southwest Mpls. An avid bridge player, music lover, and sports enthusiast, she was widowed at age 59, yet thrived independently for many years. The game of bridge and the friends she played with gave her tremendous joy, but she always said her greatest accomplishment was raising her three daughters. Preceded in death by husband Wallace; parents Alice and William Mueffelman; brothers Roman, Earl, Donald, Willis and Glenn. Survived by older sister Marcella Cronquist; daughters Susan Shearer (Craig Johnson), Barb Goodspeed (Steve) and Carol Farrington (Terry); grandchildren Mary Salisbury (Justin), Rachel Goodspeed, Katie Farrington and Sam Farrington. A special thank you to her tender caregivers at MN Masonic Home. Funeral at Westminster Presbyterian Church, 1200 Marquette Ave., Mpls., on Wednesday, June 20 at 11:00 AM with visitation one hour prior. “ I was diagnosed with Parkinson’s disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It’s been a life-changing experience I feel more like myself again, better than I’ve felt in years. If you or a loved one is struggling with Parkinson’s disease, I truly recommend looking into their natural approach. “ I lack the right words to appreciate this genius called lord Bubuzza, A man that has constantly lifted people from poverty to wealth by casting a lottery spell and revealing the winning numbers to them. My wife divorce me because we were financially unstable, our doubt grew and neighbours started avoiding us and this got her pissed so she left. I was heartbroken and also financially broken at the same time that I almost took my life, I did research for a better life online when I saw testimonies of people appreciating lord Bubuzza for casting a lottery spell and revealing the winning numbers to them so I contacted him immediately and he responded. I provided his requirements to cast the spell and he gave me a 6 digit number which I went to the lottery store and bought my ticket and soon got a notification that I have won \$40 million dollars. I lack words to appreciate this genius, join me appreciate him via email: lordbubuzza_miraclegwork@hotmail.com or WhatsApp: +1 365 808 5313

“ Good Morning!! My name is Justin Simporios from Canada. My daughter was unable to walk for several months after an accident that required her to have surgery. Because I haven't won the Lotto I've been playing for so long, I haven't been able to pay for the surgery. A friend online recommended Lord Meduza to me and he deserves a really, really big THANK YOU. This man chose to help me with a lottery spell and he gave me the precise numbers to play the Canada Lotto Max Lottery. After two weeks, I was proclaimed the winner of \$80 MILLION DOLLARS. Now, my daughter will be able to walk once more after so much time as her surgery is now completely funded. My victory marks the biggest win for a single ticket in Lotto Max history in Canada.. I still can't believe it, Indeed there's none like Lord Meduza. Although if you want your EX LOVER back he can help you too so get in touch with him right now. Email: lordmeduzatemple@hotmail.com

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor's knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinson's disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit [w w w.aknniherbscentre .com](http://www.aknniherbscentre.com))

“ I contracted Herpes Simplex Virus at 27. I'd never had penetrative sex, and when I didn't want to 'go all the way', I felt pressured to give and receive oral sex. The boy suffered from HSV and didn't know he could infect me that way. I was traumatised for years afterward, and articles like these remind me of that burning shame and how I was able to get rid of herpes with herbal products from madibaherbalcenter.com. which I have used for 8 weeks. It got rid of my HSV after 3 months, so I went to do the test and my doctor to me and negative for HSV. madibaherbalcenter.com has a 100% cure for HSV, I swear.

“ I've been living with Parkinson's disease for quite some time, and for years, I struggled to find lasting relief. While medications offered some temporary help, the symptoms always returned and often worsened. Out of a mix of hope and hesitation, I decided to try an herbal treatment program from NaturePath Herbal Clinic. I'll admit, I was skeptical at first. But around the fourth month, I began to notice real, steady progress. My tremors became less frequent the stiffness in my body eased My balance and coordination gradually improved It wasn't an overnight transformation, but it was consistent and life changing. For the first time in years, I feel more in control of my body. I can move with greater freedom, sleep more peacefully, and enjoy daily activities without the constant discomfort I once accepted as normal. The improvement I've experienced physically, emotionally, and mentally has been nothing short of uplifting. If you're exploring natural options for managing Parkinson's, I wholeheartedly recommend looking into NaturePath Herbal Clinic. Their approach has made a real difference in my life, and I'm truly grateful I gave it a chance. www.naturepathherbalclinic.com info@naturepathherbalclinic.com

“ I started out taking only Azilect, then Mirapex, and then dopamine for my Parkinson disease, as the disease progressed they didn't help much. One month into the treatment, I made a significant recovery, my symptoms were gone including tremors . It's been months since I completed the treatment, I am symptom free and I live a very productive life all thanks to Aknni herbs centre !!!
