I only got to know Edith at Glen Lake...the little I knew of her, was very pleasant..she was a beautiful person, so enjoyable... at least now she is at peace and without pain...

“ Loretta, Woody and Family,
I will never forget the good times we all had with your mom, especially the "pulls tabs" at your house and our cruise. No matter where we went or what we did, we always had a great time. She is pain free now and with your dad. Love, Sharon (Paulson)
