“ Anytime you spend time with Edna and Bruce at the cabin or when they came to your house Edna would usually send a letter in the mail to thank you for the time spent together with a compliment. She was always thoughtful of others and she will be greatly missed.

And then Bruce came over to our house for a birthday party for one of the girls and my nephew Michael John and her were talking about God and the things of the Lord in the scripture in the Bible and she called me later and got his address and wrote him a letter she told me she thought he was going to be a preacher And evangelist and she wanted to encourage him also I know she prayed with gals at her church regularly and those prayers many of them are for her family and for that I'll ever be thankful....Anyways she was always good to everyone and now she is home with Jesus what a amazing thing .Lord be with Bruce and help him in this time .. And the rest of the family in Jesus name Amen
