“ *We're so sorry to hear of Uncle Bud's passing. I'll always remember his visits to Baraboo and how kind and patient he was with all of his nieces and nephews here. My mother Beverly would talk about Buddy at every holiday, and could remember almost every movie she and her little brother saw as young kids in Minneapolis. All of our sympathies to Aunt Delores.*

“ *I'll always cherish the memory of my little brother Buddy. We helped each other through some difficult times as children, and escaped to the movies every chance we got. I'm so glad that he and Delores were able to enjoy so many happy years together. All of my sympathy and love to Delores.*

*Thank you, Bruce. I am Beverly's daughter, Edward "Uncle Bud's" niece. Not a day goes by when Mom and I don't reminisce about what a wonderful younger brother he was to her. She adored "Buddy", always wished she could see him more. They exchanged sweet notes and cards, (and \$10 bills), and she would keep all of his notes close to her in her purse. Mom was always so happy he found sweet, deep love with Dolores. Mom is in assisted living now, and her greatest pleasure is looking at her beautiful wall of old photographs. Her most treasured are those with her Mother and Father and Bud.*

*Thanks to Nancy Bildsten for scanning these photographs of Bud. I merely posted them.*

*Our family, too, is sorry to hear of Uncle Bud's passing and know how difficult it is for Beverly to lose her dear brother. He was such a kind, gentle man and had an encyclopedic memory of "old Minneapolis" just like Bev. We are so sorry for your loss, Delores.*
