“ When my wife and three kids left Minneapolis for Alaska in 1993, he handed me a piece of paper with Genesis 12:1 on in it...he didnt say much just nodded and smiled...sharing with me the tough truth that we are called so often to go places we are not prepared to go...but he knew we are both commanded to go where we might not be equipped...and we are shown the way...if we seek that direction...Thank you , Ed. I will see you on the other side!

“ I'm so sorry to hear about Ed. We lived on Cleveland St. until 4 years ago and I always enjoyed celebrating his birthday at our neighborhood party every summer. After we moved we would often see Ed and Arline at church or Cub and they would always have a nice word for us. I'm praying for your family in this difficult time.
