“ I Love and miss you Ed Miller! I miss your phone calls. I know what you are doing, "eating apple pie you would say".  
If I asked too many questions how your day had been you would call me mom.  
I' m glad that Nel and I could be with you the week of your bday.  
Eating at Applebees and taking you shopping everyday.  
Looking forward to seeing you again in heaven Ed Miller!  
Love, Dad
