

Edward Leo Ouellette

April 5, 1942 - March 7, 2018

Edward Leo Ouellette – 75. Born April 5th, 1942 - died March 7th, 2018 of a worn-out, much used heart. He leaves behind every kitchen gadget ever made. Some still in their original boxes, some never opened, some used once and sealed back up.

He was born the eldest son to his late parents Leo Ouellette and Sophie (Hendricks) Ouellette. Brother to his siblings that have preceded him in death Jerry Ouellette and Stella (Holloway) Ouellette. Survived by his brother Steve (Sue) Ouellette.

Famously opinionated, loud, stubborn, strong, resilient and generous to a fault. Ed handed down a mix of these qualities to his children Jim Ouellette, Greg (Cindy) Hayhurst, Patti (Troy Eberhardt) Rowert and Jerry (Barb) Ouellette.

Ed is proceeded in death by his loving wife Debra Ouellette. They married in 1988 and expanded his family to include her children, whom he opened his arms and heart to. Kelly (Johnathan) Davis, Brian Larson and Andrea (Al) Copeland.

He took extreme pride in his grandchildren and great grandchildren. Often spoiling them beyond measure. Grandchildren: Kate (Bryan), Alyssa, Cassidy, Charnelle, Evan, Sam, Alex, Joe, Bryan, Chrissy, Megan, Tyler, Kristen, Kendra, Aubrey, Destiny, AJ, Anastasia and Whitney. Great Grandchildren: Adam, Alex, Kiarra, Christian.

But we all know, he loved his buddy, best friend and constant companion - his

dog Eddy the most.

Ed loved four wheeling, bow hunting, the Minnesota Wild, the Minnesota Twins and of course the Minnesota VIKINGS - with a loving border battle with his Wisconsin family. Tinker Hendricks - he loved you so damn much. Even if you were a Packers fan...

Ed had a knack for telling you like it is. He never sugar coated anything. He loved to talk and tell you 'about that one time'.

Not until his later years did those stories include his time in the US Army. He served in the US Army from March 18th, 1964 - March 14th, 1966. He was a Vietnam Veteran that was proud to serve his country in the 101st Airborne Screaming Eagles. After his time in Vietnam he found himself dealing with the demons of war. Passing just before his 30-year sobriety.

He already is sorely missed and has left many with a great sense of emptiness. Not only is the world WAY to quiet without him but eating at Perkins will never be the same again.
