

Edward W Posey M.D.

January 13, 2014

Posey, Edward W., MD Luminary of Twin Cities Medicine Dr. Edward W. Posey Age 86 of Burnsville, the first licensed African-American psychiatrist in Minnesota, passed away on January 13, 2014. Preceded in death by his beloved wife, Fanny Berryman Posey, and his youngest son, Michael Edward Berryman Posey. Survived by son Bruce Edward Posey of Burnsville; daughter Ada Louise Posey of Silver Spring, Maryland; grandchildren, Noah and Selene Posey; nieces and nephews. A proud graduate of Meharry Medical College in Nashville, TN, Dr. Posey first came to Minneapolis in 1956 after serving as a U.S. Marine medical officer in Korea and Japan, and completing his general surgery residency at Case Western Reserve University. While engaged in his private practice, he spent two years as a staff physician at Anoka Metro Regional Medical Center where his interest in psychiatry was engendered. Dr. Posey completed his psychiatry residency in the U of M/Veterans Administration program, became board certified and within three years was elevated to chief of psychiatry at the VA Medical Center-- later to become the chief of the VA's Mental Health Clinic. He founded the Day Hospital for veterans in Minneapolis, a model for such programs in numerous other VA Centers. In addition to his sterling service at the VA, he was the adult psychiatrist at North Point Health and Wellness Center (formerly Pilot City) for over 40 years. Dr. Posey was a mentor, board examiner, administrator and academician who found directly being with and caring for his patients as the most gratifying portion of his career. Interment
