“ I was sad to hear about the loss of this great man, Ed Smart, who was good friend, mentor, softball and basketball coach in the younger years of my life. The many memories on and of the field and court are numerous with him and Bill, so much so that I reflect back on them regularly.

He taught me how to stay focused and on task, to practice continuously, to be a good sport and humbly celebrate, to smile in defeat. He was always encouraging especially in frustration of failure.

I want to thank Jo, Bill, and Rick for letting me be a part of your family and all the great memories.
