“ We have just gotten many envelopes of pictures my late sister had at her home that states Szykula, Ed; on the envelopes. Perhaps she got these at a garage sales, as she always had fun going to them.. Please return a note if you would like them or I should just throw them away. One envelope says Poland 7-6-76, by now, Audrey

Hi Audrey... I am just seeing your post here regarding Ed Szykula. He is my grandpa and was born in Poland. What's the best way to connect with you regarding these photos? Hoping you still have them but understand if you don't. Thank you! H Jensen
