“ To the Stutzman family ~ Thinking of all of you as the news of Eileen's death reaches the Quadna community. Eileen and Gordy were pillars of Quadna and made so many friends along the way! We were neighbors in building 9 (they were in building 7), and I met Gordy years ago when I worked at the lodge, then the motel, as they would arrive for a week or so. I had so many wonderful, long visits with Gordy through the years and looked forward to hearing about the fish he caught. When Eileen had health issues, and Gordy needed family help, he still managed to get up here to enjoy time spent on beautiful Hill Lake. Our hearts are heavy as we say goodbye to a beautiful couple, and may the comfort of warm memories bring you peace in the days to come. Thinking of you all with deepest sympathy! “ What a delightful person she was! I have such fond memories of her smiling face, quick wit, and easy laugh. It was always a joy to be around her when visiting the Stutzman house in Roseville or later in Vadnais Heights. Without a doubt, her personality and love of music lives on through her children, grandchildren and great-grand children. Peace with Gordy now.
