“ I was so saddened to hear of Elaine's passing. She was a classmate of mine at Clinton High School. She came to a class reunion lately even when she had already had some brain problems. It was so good to see and visit with her. We will miss her in July when Clinton has a all school reunion along with the 130th anniversary of the town. I will make sure the class is told of her passing. She was so nice just like her notice in the MLPS paper where I saw it. My sympathy to the family and will be thinking of the family during her funeral. Audrey Winje Wellendorf Ortonville MN
