“ My condolences and prayers for Elaine and her family. My name is Bob van Keuren. Elaine and I met in high school; I attended St. Thomas Academy. We dated for a while, and took each other to our schools' dances. In college, she came up with me once to Laketrails Base Camp in Lake of the Woods. Our dating settled into friendship. I saw her a few times at Sunday Mass at St. Columba Church, where I grew up. I'm in San Diego now. Elaine was a lovely, warm person. May God hold her in His Hand.

“ Elaine was a teacher of mine at J.J. Hill Elementary School when I attended school there from 1960 - 1965. I ran across her picture at the Boom funeral home in 2013 at my father in law's visitation. I would have loved to connect with her but I believed she lived out of state at the time.

“ Dear Dennis & Family,

Elaine was so special. You will feel her presence in your lives in a different, deeper seated dimension now. You should find some peace knowing that she will never feel another ounce of mortal pain & that she will now be watching over all of us now.

If any of you ever get down to the Naples, Marco Island, Florida area, please give me a call (239-250-4982/ My Cell Phone) & stop by for a visit. I have a wonderful collecton of my Mother, Betty Iverson's wildlife paintings here at the house along with some of my own.

I Send You All My Love & Prayers,

*Barbara Iverson Johnson

“ Dennis, I am so sorry for your loss. I always thought fondly of Elaine. I remember the time she sent me a package labeled "Keep in a cool place" and it was 95 degrees in the shade when I picked it up at the post office. But every chocolate covered macadamia nut was perfect! I will miss her and her beautiful smile.
Love, Charlyn, one of her Egyptian Maiden counterparts.

“ Dennis, Elizabeth and family,

*We are so sorry for your loss. Elaine was such a warm and loving person. I will never forget her kindness she showed to Steve's daughter, Yane. After we had a lovely dinner with you folks and the cousins, Elaine let Yane pick one of her treasures to take home. Yane was so thrilled and said " she must have really liked me to give me a gift, she is sure a nice lady, right!" That was so thoughtful, and a special memory I will never forget.
May God be with you in the days and weeks to come. May he grant you folks a special measure of his grace. Love you, Faye And Richard Koerselman*

“ Dennis and family,

*I am so sorry for your loss. I didn't have many occasions to speak and socialize with Elaine, but I will always remember her as a woman of grace and graciousness. She always smiled and I felt that she was glad to see me. She will be dearly missed by many loved ones and acquaintances. My prayers are with you in this time of sadness.

“ I miss my dear friend, Elaine, who was the most selfless and kind person I ever knew. She was the same not only to her friends and family but to all those with whom she came in contact. We've been friends since the first time I met her here in Denver some years ago. Dennis, Elizabeth and family, you made sure her last days were in your loving care and tho she may not be here physically , I am confident that her spirit will remain with each of you and especially with her beloved grandchildren.

“ My heart broke when saw Elaine had passed, not having had the chance to tell her of the many, many times I thought and spoke of her. Although I had not seen her for many years she remained etched in my mind and heart. What an elegant woman... it was such a gift to have known her.
