“ When we were young children my Aunt Elaine would 'require' us to go "rest our tummies" after we had a meal. At the time I thought that was pretty neat and why didn't my mom do that too? In later years she shared with us "It was to get you out from underfoot" while the dishes were done and kitchen straightened. I will always remember her love of laughter. Patti Hodel

She enjoyed laughter and the memory of how she meet Uncle Kenneth. She had been a telephone operator at the time.
