“ *Elaine was a great big sister to me. When we were going to Dynan country school in Annandale, Mn she piggy-backed me to school as I had stepped on nails on a board and had infection in both heels. She wouldn't let me miss school. We spent many summers by Wilkins Lake with them as we had cabin just down the shore from them. I was working at the Aitkin Hospital at the time and when I would come home from work she always had something for us to have with coffee. A favorite place to go for dinner was the "Fireside Restaurant" in McGregor. Our family will truly miss Elaine (Aunt Elaine to our kids) and playing Bridge with she and Maurice. We women always beat the men. Ardella and Dave*

“ *Elaine was such a wonderful lady. I enjoyed many winter visits with both Maurice and Elaine after they retired. They stayed one winter with me and my parents in the guest house. We had such a great time. They often would stop by with a lemon poke cake or my Great Aunt Amelia's ginger cream cookies, and have tea. Wonderful memories, great infectious laughs, card games, and cooking. She will be missed. Berney Streed*
