“ Bob & Brenda~ You're Mother, Elaine, was an amazing lady! She gave you the greatest gifts of all~ amazing personalities, great sense of humors, and resilience. She was the best Grandma to my niece & nephews & also to my kids as well. Sierra took it really hard & thinks of her as her Grandma too. (Shay too) That's how Great she was. She has touched so many life's with her spunky & loving manner. I'm so glad I had the honor to know her. (I loved living on Kyle.) She has a special place in my heart. You are family to me. I love you guys! ❤️
Vince Gill's "Go Rest High On That Mountain" Is a good song that makes me think of her & her journey & love for God. ❤️🙏

Brenda and Bob, I am so sorry for your loss. Elaine was such a beautiful person. I am glad I had the chance to tell her she was the best grandmother ever! And I wished I could do the things she did. She will be missed dearly by my family, myself, and others. May she rest in heaven.

I worked with Elaine years ago at Honeywell. I saw her occasionally throughout the years and her positive, loving, funny personality was always there in her welcome. She made me feel like we just saw each other yesterday. Your mother was a shining light. She will be missed by many.
