“ I was just thinking about Elaine today. She was the rental agent for a complex in Edina. She rented to me and my beloved cat and saved an apartment for me until I could get a check to her 2 days later. She must have taken me as trustworthy and I appreciated the accurate read on my character. She was very good at that as her tenants were outstanding, which made this property a pleasure to live at.

She also ran a tight, but pleasant ship which also made living nice for all. Her buildings were immaculately clean!!

It was at a difficult time in my life and I often remember her kindness!

She was one neat lady!!
