“Dad, I'm gonna miss you. I'll never forget the morning you wanted to go fishing. You told me we had to get up early. So the evening before I got all my fishing gear ready. I couldn't sleep a wink. 4 am came and I put everything on. Extra clothes (because you told me it gonna be cold), Rain gear from the hat to the boots (because you said it might be rainy). And my cooler of snacks. I WAS READY. LETS GO FISHIN'.
