“ Eldena, I cannot thank you enough for your friendship and all the hard work we put in together working on the Forster, Kostner, Gmeiner, Miner genealogy. It was a so nice meeting you, Dick and your family, and what a surprise when our paths crossed years later in White Bear Lake. Sending condolences to your family.

“ Eldena was a kind soul who loved her family so much. We enjoyed sharing our life stories and laughing about them. I only wish I could have gotten more time to enjoy the sweet friend she became. ❤️ My heart goes out to her family and friends. I know what a treasure she was to all of you.
I am a better person for having known her. Thank you.
Rest In Peace,
Cindy
