

Eleanor Louise Ferch

May 16, 1929 - February 8, 2022

Eleanor Louise Ferch, 92 of Hopkins, passed away on February 8, 2022 from heart failure.

Despite this condition she never gave up on remaining physically and spiritually active, always being there for her loved ones.

Eleanor was a grateful mother to two daughters and two sons: Diana, Linda, Gary, and Duane Sr. Her patience and perseverance regardless of the situation serves as an example for others to follow; for there is always an answer, it just may take sometime to find it. May she finally receive her eternal rest.

Interment at Grandview Park Cemetery.

Funeral service will be 11AM, Monday, Feb 14 with visitation one hour prior at:

“ *Louise was like a second mother to me when I was growing up. I was in the middle between Diana and Linda and whoever was my best friend at the time didn't matter because I was always welcomed at the Ferch home and was probably there as much as I was at my own home. She called me several weeks ago to thank me for flowers I sent and we had a wonderful conversation. I am so glad I had the opportunity to speak with her and tell her I loved her. With all my love and prayers, Linda Wray* ”
