“ Dear Bro. Gerald and Extended Family,

Brian and I were saddened to learn of Sis. Eleanor's passing. As a little 7 year old girl, I remember the first time you brought her to Canada and we met her. I thought she was the most beautiful lady I had ever seen and you two were a striking pair together. Uncle Fred and Aunt Letha showed us beautiful wedding pictures when they returned from your wedding in Saint Paul. I was so fascinated with her wedding dress and thought of her as a Princess.

Through the years Sis. Eleanor kept in touch with my Mother and also me. Mom always enjoyed your visits to the farm when you came home. Sis. Eleanor was always sending little gifts or cassettes ... "Anne and the Little Lights" if I recall correctly, to my little girls. Then there were the cards or notes of encouragement when it was so needed.

Our condolences and prayers for comfort and peace to you, Scott Hackler, your grand and great grand children. She is in beautiful heaven now with the one she served and lived for faithfully and has obtained the Crown of Life. She will be remembered with fondness although her passing leaves a great void.

Also remembering your kindness in helping Ingrid come to Bible School and all you did what you could for her.

It is with regret that time and circumstance did not allow us to attend the Home Going Celebration, but we do hope to view the live stream.

God bless you richly! Brian and Janet (Christensen) Ingraham
