“ *Eleanore was one of the Brooklyn Park Police's hidden gems. She worked very hard all year round to knit warm winter hats for recipients of our Santa Cop program. She also brought in plates and plates of homemade Christmas cookies for us during the holidays. We will miss her knitting talents but more so her bright smile!*

“ I have such fond memories of Eleanore. She was a caring woman of strong convictions. Eleanore will be missed but I know that she and Norm are rejoicing together.
