“ *Beth was a classmate of mine at University of St. Thomas while she was getting her MBA. We worked on group projects together for school and actually worked across the street from each other when she led HR for Three Rivers Park District and I did for Turck in Plymouth. She was brilliant and so full of life. I think of her as making people laugh, confident, beautiful inside and out with a huge and generous heart. You will be dearly missed Beth, holding your boys in my heart. 💕*

“*Beth was a bright light! You could always count on her for laughs and fun! She was generous with her time and willingness to open her home for Junior League meetings and events. I especially appreciated her talent at cookie decorating and her patience in sharing that talent with the Sustainers via Zoom over the holidays. Count me among those who will miss her. Gone too soon.*
