

Elizabeth Lou Casper

June 24, 1946 - March 24, 2024

Elizabeth "Betty" Casper (Bonovich)

Elizabeth L. Casper passed away March 24th, 2024 of Alzheimer's. She was lovingly cared for in her final days at Edgemont Place, in Blaine, MN.

Betty was born in Grand Rapids, MN on June 24th, 1946, to Mike & Mary Bonovich of Calumet, MN. She graduated from Greenway High School, in Coleraine, MN, where she fulfilled her childhood dream of being a cheerleader. Following graduation, she attended St. Scholastica in Duluth, MN, graduating with a degree in Elementary Education. Betty went on to teach students for the next 42 years. Teaching kids to read was her gift and passion.

In 1968, Betty married her high school sweetheart, Richard Casper. They had two children, Donn and Julie. They found a house in a cul-de-sac where she quickly made their house into a home. It was here where they met and spent significant time with their lifelong neighborhood friends - enjoying pig roasts, ski trips, garage parties and whatever else "the circle" felt like doing for fun. Betty cherished her time with her grandchildren and spoiled them to no end. She made shopping a hobby, loved spending time with her friends, and dinners out with her husband.

Betty is survived by her husband, Richard, children, Donn and Julie, and

grandchildren, Ellie and Cole.

I have so many memories of Betty. Growing up in the neighborhood "circle". I remember as a child being jealous because Betty loved to shop and my mom, Sharon, did not! One memory that sticks out was when Julie and I smeared ice cream on 7-11's window when it was vacant and Betty happened to be driving by or riding her bike by and seen us. She had Julie and I hike back to the store with soap and water and wash the windows off! We were prob 8-10 years old but I remember thinking it was a bad idea when we did it but we did it anyway and she made sure we cleaned it up! Another memory that sticks in my head is her dressing up as my dad for a party that apparently the party theme was my dad. She had the best costume, fake beer belly, hairy chest and bald and she pulled it off! She will be missed. Too many memories to list! Many great pictures throughout the years. Very sorry for her loss and sending the her family hugs and prayers.

I met Betty when she hosted a wedding shower for our daughter. She always looked beautiful and classy, and was so warm and genuine. We shared the teacher vibe and I know she must have been a wonderful teacher based on our conversations. Betty was a part of that great "circle" group, a wonderful mixture of fun and caring friends. Rest in peace, Betty. Hugs and prayers to Dick and the Casper family.
