

## Bette Vescio Geiger

May 11, 1925 - December 28, 2021

Bette (Vescio) Geiger

On Tuesday, December 28th, 2021, Bette Geiger, loving wife and mother of four and grandmother passed away at age 96.

Bette was born on May 11, 1925, in Minneapolis to Theresa and Charles Vescio. She was one of six kids in a close-knit Italian family. A graduate of Edison High School, married Robert R. Geiger April 12, 1947, and raised four children. She was Aunt Bette to many nieces and nephews she treated as her own.

Bette, an avid volunteer, was very involved in Assumption Church and School, where she and Bob developed many lifelong parish friends with whom they golfed and traveled with regularly. The Minnesota North Stars became a big and fun part of life as she was marketing secretary for over 20 years. When she asked if she could attend an Assertiveness Training seminar her boss replied, "Are you going to teach it?".

We will remember Bette for her strength and stubbornness, her fun spirit and sassiness and her complete love and devotion to her family.

Bette was preceded in death by her mother, father and siblings, her husband Bob and oldest son Robin. She is survived by sons Greg (Rebekah) and Vince (Paula), daughter Deb (Keith), grandchildren Robin (Jeff), Bob (McKenzie), Mollie, Rachel, Nick, Elizabeth and Katherine, and great grandson Weston and great-great grandson Waylon.

In an abundance of caution, there will be a private service for immediate

family and a celebration of life to come at a more appropriate time.

“ *To the entire Geiger family...*

*Although I haven't seen Bette in a few years, I have so many great memories as we worked for the Minnesota North Stars together. She had a wonderful laugh and when she was around everything was more special. For many years, the North Star girls, as we dubbed ourselves, would meet for lunch a few times a year, so as not to lose touch. We celebrated birthdays, holidays and any other day we thought was necessary to enjoy a drink together! Our little group is now down to four, but we always talk of and celebrate the ones who have gone on to heaven.*

*Take care and hope to see you at the memorial whenever that happens.*
