“ My memories of Betty, she got us tickets to The Beatles in 1965 as bridesmaid gifts! That made her my hero- my favorite sister-in-law. Then the week I stayed with them in Excelsior and went to the amusement park everyday. Then when they took me along on their trip to South Dakota, Wall Drug!, Yellowstone, Mount Rushmore. I wonder if it was to help babysit Lil' Reggie- he was only 6 months old- but I loved it. I was fond of Betty and was sad when we lost contact. My condolences to all the kids, grandkids, and family. Hugs to all.
