“ Dear Joey, and Paul and Jean,
A great woman, so vibrant with life, has gone to God, far too soon...
I am so sorry! My heart goes out to you, and I remember how proud she was to be your mom Joey! In my days at St. Mark's, I reminded that she would come in at the school masses and make her way to sit by you when you were in those primary grades. I am thinking of you, Joey, as you surprised us all with your beautiful costume, and your solo from "Joseph and the Techni-colored Coat". After I retired, we connected at Carondelet Center when your mom came to class. She was always so excited to tell me all about you and what you were into in those last years of grade school. My heart is aching for you, and I am so sorry that I cannot be with you tomorrow. Keep the good memories alive in your mind and heart. Know that you have two guardian angels looking out for you. Please know how much joy you brought to your dear mom. My love and prayers are with you at this most difficult time. God bless you with peace and healing,
Sister Mary Fran Allen C.S.J. (Former teacher at St. Mark's School)
Cousin of John and Sandra McFarland
